Lou,

Left you a voice mail message. Can you tell us what it is about the product in question that leads YSL to believe that it is counterfeit? We will, if you wish, hold all such information on an outside counsel's eyes only basis. Costco is investigating to determine whether all inventory at the store in question came from a single shipment. The more information you can provide us, the more rapidly Costco can deal with your client's claim.

Thank you.

Dear Mr. Dabney:

I received your letter of yesterday, October 2, 2007, regarding the counterfeit goods being sold at Costco.

In response to your inquiry, YSL has examined purported OPIUM product purchased at a Costco store in North Miami Beach, Florida, and the product is counterfeit. The Costco item number is 133434.

Please respond to all points in my October 1 letter immediately. If we do not hear from you, we intend to bring this matter to the attention of Judge Sand.

Yours truly,
